

F-SERIES Good Food Pump

- A specialised pump based on the 710 Series, for use exclusively in the food/hygienic industries.
- Available in 304 or 316 stainless steel, with a matt, electropolished, or hand polished surface finish.
- Available in 2", 2½" or 3" with 14" diaphragms.
- Designed for either 'quick strip' or 'cleaning in place' (CIP) 'tool-free' maintenance where a strip down and rebuild in ten minutes can be achieved by integral 'T' bars and no other tooling.
- Choice of hygienic connections.
- Capable of handling/pumping very viscous products (over 500,000cPs is possible).
- Capable of handling solids up to 25mm (i.e. fruit, vegetable pieces), and without significant damage.
- Temperatures up to 121°C

Fast Maintenance Double Diaphragm Pumps
