

# Why Flotronic Diaphragm Pumps ?

Flotronic has many unique selling points compared to traditional diaphragm pumps

- ✓ Fast maintenance “One-Nut” concept
- ✓ Inside out, simple design
- ✓ One-piece, short stroke bonded PTFE/Teflon diaphragms
- ✓ Self-lubricating, externally mounted air valve
- ✓ Fewer spare parts / lower cost repairs
- ✓ Competitive price
- ✓ Leak protection devices
- ✓ Fast deliveries for pumps and spares
- ✓ Customised pumps
- ✓ Able to pump high viscosities
- ✓ Fast response to technical questions/enquiries
- ✓ Easy to clean for hygienic/pharmaceutical applications
- ✓ Good solids handling

Fast Maintenance Double Diaphragm Pumps
